PROJECTS

Harmony Haven:(MERN — 2023)[[Link](#)]

An apartment complex website empowers owners to manage residents and ownership. Admins handle coupons, announcements, and member management, while users book apartments and access membership features after admin approval.

Study Hive:(MERN — 2023)[[Link](#)]

A collaborative online learning platform enables users to join, create, and complete assignments.

Submitted work appears in the assessment section, providing results. Assignment creators retain deletion control.

Cell Central:(MERN — 2023)[[Link](#)]

An e-commerce platform facilitates users to browse and add phones from favorite brands to the cart.

Products can be removed from the cart, phone details can be updated and a dark theme toggle is available.
